5. The purchased water adjustment of 41 cents per 1,000 gallons and the rates shown in Appendix A, attached hereto and incorporated herein, are fair, just and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment in the amount of 41 cents per 1,000 gallons and the rates in Appendix A are approved for services rendered on and after May 1, 1991.

2. The tariff sheet filed by the District is hereby approved.

3. Within 20 days of the date of this Order, the District shall file a copy of the notice to its customers and verification that such notice has been given. In no event shall the District issue its first bill at the increased rate before notice has been given.
